Kindly register for the Two Weeks Faculty Development Program on “Machine Learning and Internet of Things” from 3rd to 15th June, 2019 that is to be held in Tripura Institute of Technology Narsingarh, Agartala, Tripura, India.

Place:

Date:

Signature of the applicant

This is to certify that Sri/Smt/Dr.of is permitted to attend the FDP on “Machine Learning and Internet of Things” from 3rd to 15th June, 2019 that is to be held in Tripura Institute of Technology Narsingarh, Agartala, Tripura, India.

Date:

Signature of Sponsoring Authority

About Tripura Institute of Technology

The human resource development process that has been harnessing in the state for decades is now in a state of total maturity encompassing the whole spectra of socio-economic development. The resultant effects caused optimizing the resource centers of manpower development which eventually fathomed through the exultation of upgrading Polytechnic Institute, Narsingarh into a degree institute with a new nomenclature “**Tripura Institute of Technology**” from **1st June, 2007**. Tripura Institute of Technology is located in a beautiful landscape of natural antiquity adjacent to Agartala Aerodrome about 13 km away from the capital city. The Institute is having more than 100 acres of land area under Ananganagar and Narsingarh GaonPanchayats. The Institute is linked up with goodmotorable roads with available conveyance from Agartala. The Institute campus has direct road and air linkages with the rest of the country.

About Departments

The Department of Computer Science & Engineering and Electronics & Communication Engineering have started its degree programme from 2007. Both the departments currently offer B.Tech. Degree with an intake capacity of 60. Both the departments have several well equipped laboratories for the regular course as well as research. The UG programs of both the departments have been **accredited by NBA, New Delhi** for the session 2019-21.

How to reach TIT Narsingarh,Agartala

There are daily flights from Kolkata, Guwahati and from several metropolitan cities. Taxi/Auto is available from Airport to TIT Narsingarh, distance around 1.5 Km. Tripura is also well connected by Road and Train. The bus stand and Agartala railway station are 10 km and 16 km away from TIT Narsingarh respectively.

Objectives

The objective of the program is to provide theoretical and practical knowledge on recent trends, developments and innovations in the field of Machine Learning and Internet of Things. The program aims at bringing Eminent academicians as resource person primarily from Jadavpur University, Kolkata to provide insights through their talks and deliberations, along with in-depth discussion with the participants.

Information for Applicants

Limited number of applicants may be allowed to participate. Working lunch/refreshment will be provided during the program.
