

Dated the 15th June, 2026

EDUCATIONAL NOTIFICATION

Tripura Institute of Technology (TIT), Narsingarh invites application from eligible candidates for admission into first year of Master of Technology (M. Tech.) programs in the following branch of engineering and specializations.

Sl. No.	Branch of Engineering	M.Tech. in	No. of Seats
1	Computer Science & Engineering	Data Sciences	18
2	Electronics & Communication Engineering	VLSI and Embedded Systems	18
3	Mechanical Engineering	Thermal Engineering	18
4	Electrical Engineering	Power and Energy System	18

General Information about the Admission Procedure:

- 1) The M. Tech. programs are approved by AICTE and affiliated to Tripura University.
- 2) Reservation of seats in each branch will be as per the prevailing norms of Government of Tripura.
- 3) There are two categories of students: Regular and Sponsored with differential rates of tuition fee. Out of (18) eighteen seats in each program, six seats are reserved for sponsored category candidates. In case of non-availability of candidates from one particular category, these seats may be allotted to the other category candidates also.
- 4) The admission test would be conducted tentatively on **15th July 2026** at Tripura Institute of Technology (TIT), Narsingarh. The exact date of the Examination will be mentioned in the Admit Card or will be notified in the institute website.
- 5) TIT P.G Entrance Examination – 2026 is compulsory for all applicants except candidates with valid GATE / CUET score. Candidates with valid GATE/CUET score in the respective branches of engineering will get preference over non-GATE/non-CUET candidates and need not have to appear for admission test. Such GATE/CUET scored candidates will have merit seniority over non-GATE/non-CUET candidates. The merit seniority of non-GATE/non-CUET candidates will be decided as per their performance in the entrance test.
- 6) Eligible candidates may apply online in the admission portal in the institute website www.titagartala.ac.in from **22th June 2026 to 07th July 2026**. There will be no provision for physical form submission for the academic year 2026-27.
- 7) An amount of **Rs. 400/-** is to be paid through UPI payment process as application processing fee for the academic session 2026-2027.
- 8) For detailed information please go through the PG admission prospectus-2026-27 available in the institute website www.titagartala.ac.in
- 9) M. Tech. admission related query if any may be communicated to the email: titpgadm2024@gmail.com Candidates are advised to visit the institute website www.titagartala.ac.in at regular interval to be aware about regular updates.

Eligibility Criteria:

a) Common Criteria for all programs

- i. Passed B.E./B.Tech or equivalent from AICTE approved Institutions or Institutes established under parliamentary act with at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination. There is no age bar for admission.
- ii. Sponsored category candidate should have full time work experience of minimum two years and possess sponsorship certificate from his/her present employer.
- iii. Sponsored category candidates have to apply either through proper channel submitting an advance copy or a "No Objection Certificate" from the employer is to be submitted with the application. However, such

15/06/2026

- candidates have to submit **Release Order** from their parent Department/Organization at the time of admission.
- iv. Candidates from other states of the country may also apply, however admission to such candidates may be granted if seats remain vacant after allocation to the candidates from Tripura (having PRTC).
- v. Candidates appeared/appearing in final examination of B.E./B. Tech. or equivalent in relevant disciplines are also eligible to apply. Such candidate has to submit a duly signed and stamped certificate to this effect from the competent authority of their institute. Later, they have to produce their B.E./B.Tech. Pass Certificate/Mark-sheet of the respective branch of engineering with requisite percentage of marks positively at the time of counseling, failing which their candidature for such admission will be summarily rejected.
- vi. Candidates intending to apply for more than one branch should submit separate application form.

b) Program Specific Criteria:

M. Tech. Program	Eligible branch of Engineering in B.E./B.Tech. or eqv.
Data Science	Computer Science and Engineering, Information Technology, Electronics and Communication Engineering, Electrical & Electronics Engineering. In addition candidates with MCA and M.Sc computer science degree are also eligible to apply.
VLSI and Embedded Systems	Electronics & Tele/Communication Engineering, Electronics Engineering, Electrical & Electronics Engineering, Electronics & Instrumentation Engineering
Thermal Engineering	Mechanical Engineering
Power and Energy System	Electrical Engineering, Electrical and Electronics Engineering.
